Re: BZA Application No. 16631

Dear Ms. Kress,

I would like to express my full support for the Alliance Francaise de Washington and let you know that I have no objections whatsoever concerning the work that its management intends to start in the accessory garage on its premises.

The Alliance Francaise is a good neighbor and has never caused any problems, nor have any of its students. I am actually glad to hear about this project. The garage is not in very good condition, and I am sure that it will look much better after the work is completed.

Should you have any questions regarding this matter, please do not hesitate to contact me at: 202-939-9200
