Re: BZA Application No. 16631

Dear Ms. Kress,

We have applied for the above variance regarding the garage building behind our school because of our own pressing needs. Should we in the future seek to sell our property, the circumstances leading to such a variance and hence the variance itself would presumably lapse. In any case, we undertake formally not to seek to transfer any rights deriving therefrom with regard to housing employees.

Yours truly,

Jay P. Moffat
President
