Re: BZA Application No. 16631 of Alliance Francaise for a Special Exception

Alliance Francaise is due a partial refund due to Zoning Administrator citing the wrong zoning relief. Alliance Francaise submitted a fee of $1200.00 for a special exception, however, the correct relief required is for a variance, therefore, you are due a $400.00 refund.

In order to process your refund of $400.00 the Office of Zoning will need a copy (front and back) of your canceled check. Please mail the copy of the check to
