**RE: Application No. 16631 - Alliance Française**

Dear Mr. Mellier:

Your Board of Zoning Adjustment (Board) case was scheduled to be heard on June 12, 2001. The Board ascertained that the application was not ready to go forward at that time. The Board rescheduled the hearing on the application to **OCTOBER 30, 2001, afternoon session.** It is essential that you be prepared to go forward with your application on the next scheduled hearing date. Your case has been rescheduled several times; therefore, if there are concerns about how to proceed, you may call the Office of Zoning for guidance and instructions.

The zoning relief required for your case has been of concern since the initial hearing on the application. The fee that you will be charged for processing your application depends on the correct zoning relief. On June 8, 2001, we received a copy of the Zoning Administrator's March 22, 2001 memorandum stating that a variance from subsections 3103.2 and 2500.5 and a special exception from subsections 3104.1 and 206.1 are required for your application. We did not have this information in the file prior to informing you that the school was due a $400 refund, which has been sent back to you. Therefore, we require an additional fee of $1,750. [The breakdown of your application fee is $800 for the variance, $1,750 for the special exception for a private school with a maximum capacity of 70 students at any given time, minus a credit of $800, which is the original $1,200 fee less the $400 just returned].

Please call Richard S. Nero, Jr., Special Assistant to the Director, on (202) 727-2806 if additional information is required.
