Board of Zoning Adjustment
441 4th Street, NW
Washington, D.C. 20001

Dear Board of Zoning Adjustment:

Please take official note that ANC 4C has reviewed the application of the Eritrean Orthodox Church for an exception to the parking regulations of the District of Columbia (BZA #16632) and recommends that the Board of Zoning Adjustment deny the application.

As support for the denial, please take note that ANC 4C voted 4 – 1 – 1 at it's November 14, 2000 meeting to deny the application. ANC 4C voted based on the report by ANC 4C03 that the residents of ANC 4C03 were against the conversion because they are concerned that the use would cause parking problems.

There being a quorum of 6 members of ANC 4C present, and there being a vote of the majority of commissioners present, ANC 4C recommends that the Board of Zoning Adjustment deny BZA application # 16632.

Sincerely,

Maureen Young
Chair, ANC 4C
