Re: Application Number 16633

Dear Ms. Kress:

I am writing to request that I be permitted to appear and participate as a party at the November 28, 2000 hearing regarding Application Number 16633. I will be appearing as an opponent of the application. I will not be appearing through legal counsel.

I believe I should be granted party status because I own and reside at the property immediately adjacent to 3715 Woodley Road, NW and thus will be directly impacted by any changes to that property. Specifically, I have serious concerns about the Brandler's request to increase the number of tenants and parking spaces. In the more than 9 years that I have lived next to 3715 Woodley Road, NW, I have lodged numerous complaints about that property to their management company, Waggaman & Drawner, as well as to the District of Columbia. These complaints have been primarily in regard to the lack of care to the property (dead trees, overgrown grass and weeds), excessive and uncontained trash and tenant noise. It is my belief that since the property currently is not being properly managed, adding more tenants will only make the situation worse.

Thank you for consideration of my request.

Sincerely,

Naomi R. Adelman
