RE: Application Number 16634

Dear Sir:

IN response to application number 16634 request for approval of a deck addition to the dwelling in premises 4904 4th Street, N.W., I oppose this request.

Your letter of 5 October 2000 state that this request is nonconforming in that, it does meet the lot width and lot area requirements and exceed the lot occupancy allowance and will create a new nonconforming rear yard requirements.

If the above statements are true, I do not know why your office even considered honoring this request.

Sincerely

Raymond M. Smith
