Re: Application of Paul D. And Marilyn M. Pearlstein
Aplication No. 16640

Dear Sir:

This is to notify you that we oppose the granting of a variance from the use provisions under Subsection 201.1 to convert an existing garage to an office in an accessory garage at the premises 2928 Ellicott Street, N.W.

Both, my husband and I believe that our residential neighborhood would be adversely impacted by a business. The variance should therefore be denied.

Sincerely,

Donald O. Clark
