Re: Applications No. 16642 and 16643, 1819 35th St, NW
D.C. Public Schools/Michael Sussman/Georgetown Flea Market

Dear Members of the Board:

This letter is to request that the record used for the Board's consideration of the above-cited cases be extended to include all submissions made in reference to certain earlier applications by the same applicants for the same purposes. The Board had scheduled hearings on these previous applications, but at that time was requested by the applicant to take no further action.

Specifically, I request that:

- all documents submitted for **BZA Appeal No. 16535** (originally scheduled for public hearing on January 19, 2000) be included in the record for **BZA Appeal No. 16642**.
- all documents submitted for **BZA Application No. 16542** (originally scheduled for public hearing on February 9, 2000) be included in the record for **BZA Application No. 16643**.

Failure to include the earlier submissions in the consideration of the present cases, which are substantially or entirely identical, would, I believe, be an unfair restriction of public input.

Thank you for your consideration.

Sincerely,

Peter Pulsifer
Chair, ANC 2E
