Dear Ms. Kress, Director

I am writing to express my support for the Georgetown Flea Market and its long standing location at the new Hardy Middle School site. (BZA Application #16643)

I have been a regular attendee at the market for over 10yrs now. It has provided me with great furniture and decorative items for my condo in Adams Morgan at affordable prices. I would certainly hate to see this unique gathering of vendors disappear.

Please see what you can do to keep it going at this same location which is very convenient for me for grocery shopping, Starbucks and Georgetown for fun shopping.

Thanks.
