WE NEED YOUR SUPPORT AGAIN OR THIS MARKET WILL CLOSE SEPTEMBER 3, 2000

We, the undersigned community; District and metropolitan area residents, feel a poor decision is being made by the District Public School system. After 13 years in this location, the D.C.P.S. decided that the Georgetown Antique Flea Market's lease will not be renewed before the September 3, 2000 expiration date. No reason was given for this decision. The market has paid D.C.P.S. over $300,00.00 in rent and has been an excellent example of a public/private partnership. This market has become a part of the true "cultural fiber" of Georgetown, supporting local businesses, donating to local causes, bringing in tourist business, and <u>most of all</u>, giving the local residents a safe community social outlet on Sundays.

WE NEED YOUR SUPPORT AGAIN OR THIS MARKET WILL CLOSE SEPTEMBER 3, 2000

We, the undersigned community; District and metropolitan area residents, feel a poor decision is being made by the District Public School system. After 13 years in this location, the D.C.P.S. decided that the Georgetown Antique Flea Market's lease will not be renewed before the September 3, 2000 expiration date. No reason was given for this decision. The market has paid D.C.P.S. over $300,00.00 in rent and has been an excellent example of a public/private partnership. This market has become a part of the true "cultural fiber" of Georgetown, supporting local businesses, donating to local causes, bringing in tourist business, and <u>most of all</u>, giving the local residents a safe community social outlet on Sundays.

WE NEED YOUR SUPPORT AGAIN OR THIS MARKET WILL CLOSE SEPTEMBER 3, 2000

We, the undersigned community; District and metropolitan area residents, feel a poor decision is being made by the District Public School system. After 13 years in this location, the D.C.P.S. decided that the Georgetown Antique Flea Market's lease will not be renewed before the September 3, 2000 expiration date. No reason was given for this decision. The market has paid D.C.P.S. over $300,00.00 in rent and has been an excellent example of a public/private partnership. This market has become a part of the true "cultural fiber" of Georgetown, supporting local businesses, donating to local causes, bringing in tourist business, and <u>most of all</u>, giving the local residents a safe community social outlet on Sundays.
