Dear Director Kress:

I am extremely disappointed to hear that the Georgetown Flea Market, which has been treasured by many for so many years, will soon close unless it receives a zoning variance from the D.C. Board of Zoning Adjustments (BZA application #16643).

The flea market has been a regular outing for us, although we live in nearby Arlington, Virginia. While visiting the market, we also take time to patronize other shops and stores in the area. This morning, for example, we bought bagels at Einstein Brothers, coffee at Starbucks and a few items at Safeway.

The Georgetown Flea Market is an institution! It adds to the vitality of the area and contributes financially to the surrounding businesses. I am very much in support of keeping the flea market at the Hardy School.

Thank-you for your time and consideration in this matter.

Sincerely,

James D. Selario
