Re: ANC Report Regarding Application 16648 of BP Amoco for a Special Exception

Dear Mr. Stockwell:

I am writing on behalf of the Commission to ask the Board to delay consideration of the above matter, scheduled for a hearing on March 20, 2001, so that the Commission may vote properly on its views on this application.

The Commission had previously voted on March 1, 2001 to oppose this application. That Commission vote has subsequently been vacated by the Office of the Corporation Counsel due to lack of proper notice of the meeting. Consequently, the Commission has agendized this matter for our next regular Commission meeting to be held on April 5, 2001.

As this matter has been of great interest to our community, as evidenced by the large turnout of citizens at our Commission meetings, and at the Commission's Zoning and Licensing Committee meetings, when BP Amoco's application has been on the agenda, it is especially important to the Commission that we have the opportunity to properly go on record about this BZA matter. Accordingly, we would appreciate the Board permitting the Commission to file its opinion on this matter shortly after it has met on April 5, 2001.

Thank you for your consideration of this matter. Please do not hesitate to contact me at 202-625-8320 should you have any questions whatsoever.

Sincerely,

Ivette Basterrechea
