This letter is in reference to "BZA Application 16648". On Thursday, March 1, 2001 the ANC 6A was unable to pass a Resolution FOR or Against the BP Amoco proposed Gas Station to be located at 3rd., and M., Street, N.E. due to improper notice and changing of meeting site

Representatives of the BP Amoco have come before the 6A Commission on three or more occasion and they have gone with the community concerns. I believe the last meeting between Bp Amoco Representatives and Ms. Sarah Robinson and Commissioner, Marvin F. Fields, ANC 6A Zoning and Licensing Subcommittee Chair on February 3, 2001. Whereas, Ms. Robinson shared her concerns with Bp Amoco. Mr. McCrea, from my understanding did not attend that meeting.

On Thursday, March 1, 2001 during a separated meeting Mr. McCrea did meet with me and four other ANC 6A Commissioners at our original meeting site and shared with additional concerns. We did not have a quorum. Therefore, we just had a general discussion. Mr. McCrea responded to all of us by saying he would get back with the ANC 6A with his final results of the BP Amoco project.

As of this date Monday, March 19, 2001, I have not heard or received the final result of Ms. Robinson or Mr. McCrea concerns or resolutions. Nevertheless, I am writing this letter to let the Zoning Commission members known that as the bordering commissioner I will support any and all issues of concerns that Ms. Sarah Robinson and Mr. Mackie McCrea have with BP AMOCO.
