RE: Case No. 16648

Dear Mr Sockwell

This letter is to state my opposition to the development of the BP AMOCO site at 4th and H ST NE, Washington, DC. I also, support ANC 6A in its opposition to the proposed development.

Please do not let development proceed on the revised plan as that would be bad for the econonic development of the neighbor hood to have such a large gasoline station.

Your Truly

Michael W. Slie
