Paety Status for Stanton Park Neighborhood Association

Dear Mr. Sockwell,

At the March 20, 2001 meeting of the Board of Zoning Adjustment, we learned of a technical oversight in the Stanton Park Neighborhood Association's (SPNA) request for Party Status. Our letters requesting Party Status dated December 4, 2000 and March 5, 2001 were signed by Mr. Drury Tallant. We now recognize the inherent conflict of designating oneself as a community representative, and appreciate the Board's permission to correct this oversight. Mr. Tallant has been our designated representative on this project, has kept SPNA well informed, and is best suited to continue representing the Association before the Board.

Thank you for extending Party Status to SPNA on this important project, and for allowing Mr. Tallant to speak on behalf of our neighborhood association.

Sincerely,

Jeanne Harrison, Co-Chair
Stanton Park Neighborhood Association
