Dear Mr. Rachal:

This letter is to follow-up our recent conversation regarding the proposed Metropolitan Police Department (MPD) workstation and MOU with BP Amoco. After consultation with Executive Assistant Chief Terrence Gainer, I do not feel it is in the best interest of the Department to commit resources to a workstation.

Should BP Amoco gain enough community support to proceed with the gas station, the MPD will provide the required level of patrol and strategy necessary to maintain a high quality of life in the neighborhood.

I wish you and BP Amoco success with this project. Please feel free to call me on 202-576-8881 should you require my assistance.

Sincerely,

William P. McManus
