Application Number 16648
Application of B & Amoco Corporation
300-332 H St. N.E. (Square 776)

To whom it May Concern:

I, Minister Alice Givens, oppose the Closing of the Alley, and Expansion of said Property. It is off Scale, and a Very Hazard and dangerous Project to bring into such a small Neighborhood, Our Homes being our highest Priority along with Our safety. We attended Some of B & Amoco Public hearings and do Not Agree with their Proposal.
