Re: BZA Application No. 16648
Hearing Date: December 19, 2000

Dear Ms. Reid,

I am Co-Chair of the Stanton Park Neighborhod Association (SPNA). I own two properites at 730-732 Third St., NE in which I live. This is about 75 feet from the BP Amoco Station at Third and H Streets, NE. In addition, as Co-Chair of SPNA, I am involved in a wide variety of neighborhood related issues in the area between Second and Tenth Streets, and East Capitol and H Street, NE. The H Street Commercial Corridor is of great interest to our neighborhood, and we fimly believe that the proposed expansion will impose several adverse impacts on our neighborhood. You already have on file our letter of opposition to the proposed BP Amoco expansion. This letter requests the Board's permission to appear and to have party status in the above proceeding for myself and the Stanton Park Neighborhood Association.

I can be reached at the following:
