Re: BZA Application No. 16648
Hearing Date: December 19, 2000

Dear Ms. Reid:

I am strongly opposed to the planned BP Amoco gas station/mini-market on H St. NE. I am a long-time resident of the area who has high hopes for the H St. corridor. This project will not help us at all.

As well as residents, my three-year-old son and I are also frequent users of the Children's Museum across Third Street from the proposed gas station. The current gas station is already an eyesore and a source of danger to users of the museum due to traffic and the people who hang out there. This has greatly weakened the museum's appeal, and a new and larger gas station just repeats the failure.

We must do better than this.

Sincerely,

Jeff Johnson
