In The Matter of: **Application 16648 Variance and Special Exception BP-Amoco Redevelopment of 300-332 H Street**

Motion to Continue

Dear Ms Reid,

The Linden Neighborhood Association joins Commissioners from ANC6A and community organizations in requesting a continuance in the above listed matter.

We require additional time to collect and review information that continues to arrive on this project. A hastily decision will impact negatively on the community at-large. We hope that the Board will grant a minimum 30 day continuance.

Thank you in advance for this consideration,

Sincerely,

Robert Pittman
Co-President
