16650

We the undersigned residents of Columbia Heights, living in and around Irving Street North West, Kenyon Street North West and Columbia Road North West, Washington, D. C., are opposed to granting the Southwest Church of Christ Inc. a special exception under Subsection 334.1 to establish a Community Service Center to support individuals and their families in an R-4 district at 1305-1307 Irving Street North West, (Square 2848, Lot 69).

We continue to support the numerous existing CBRF social service facilities in our area but strongly feel that the application before the board should not be approved, is not in the best interest of the community of Columbia Heights and is a violation of a cohesive neighborhood plan for the benefit all its residents.
