September, 14 2000

To whom this may concern,

A consumer of my agency resides within a Superior Service home. This agency, MCOTT-3, is content with the progress that our consumer has achieved. Our consumer has gained self-respect with the support of Superior Services staff. Superior Services is a great asset to our consumers and to the community as well. I hope that Superior Services will continue to serve the community with there resident homes.

Sincerely,
Jorge Ivan Lopez
Case Manager, MCOTT-3
