To whom it may concern:

This is a letter regarding Mr. Salazar's housing placement at Stan and Barbara Blackwell's rooming house on 1313 Harvard St. NW. He was placed there in July and continues to live there successfully. As his case manager, I pick him up and take him to scheduled appointments and activities. Furthermore, he attends programming and uses public transportation to travel back and fourth. Mr. Salazar has stated on various occasions that he enjoys living there and is satisfied with this placement. In addition, Barbara and Stan Blackwell have been a pleasure to work with and maintain their house in a safe and professional manner. If you have further questions, I can be reached at (202) 608-4751.

Sincerely,

Audra LeBlanc
