To Whom It May Concern:

I have been living with Superior Services for 1 year and a few months. Its' not just a group home. It has become my home. I am very satisfied with the overall operation and mangement of the house.

During the day, I go to a day treatment program at Washington Hospital Center. I take public transportation. I have been with this pgram for over 1 year. I think I am ready for a job to replace my day treatment.

I have nothing but praise for the management team and hope for only the best to continue to come their way.

Sincerely,
Alvin L. Wilson
