To whom it may conern
I am a client at [redacted]
Superior Service I also work
for them in the afternoon at D.C
General cleaning. I have enjoyed
My stay here. Buses are very close
by and also there is a train station
up the street. So its very easy to get
to work and or visit family and
friends I am glad to here in this
program because they have helped me alot

Sincerely your,
Diane Holley
