I am a Client my name is Clinton Lamont Thompson.

Superior Service - a great a sucessful company is my Guidance my helper and my Prayer. I have been with Superior Service for about a year now and my life has changed quite a lot. When first i came to Superior Services i was with no hope yet that empty space in my heart and mind was filled full of determination and happiness

One thing i can say about my home at Harvard St NW Washington D.C. it has sucessfully gave me Clinton a brew on look on life. When the Day came to be introduced to Stanley Blackwell Barbara Blackwell Quincy and miss Bowers and Brenda i wanted not to bring any burdens upon the company before in many other homes i had been a failure.
