To Whom It May Concern:

This letter is written on behalf of Stan and Barbara and the clients of the Superior Services Group Home. I have been acquainted with them since they moved into the house at 1313 Harvard Street, N.W. for a little over one year.

Although this is a group home, the clients are all very pleasant and in no way have created problems for me or other people in the neighborhood. The house is very clean and the outside is always keep neat.

I support the home very strongly and would be available to answer any questions you might have regarding my letter. Thank you.

Sincerely,

Andrea Siemens
