To Whom It May Concern:

Francisco Salazar resides at The Blackwells home on 1313 Harvard Street, NW. The Blackwells have done a great job in caring for Mr. Salazar. The home is well kept and very clean. They have helped Mr. Salazar with being responsible for himself and in the home. Mr. Salazar is currently taking public transportation to his day program and doctor's appointments. Mr. Salazar has informed me he is very pleased with staff and is living comfortably in the home. I am also pleased to say the Blackwells and their staff have made it comfortable to work with them because they are patient, understanding and very pleasant. Please feel free to contact me if you have any questions.
