The District Department of Public Works, District Division of Transportation (DDOT) has reviewed the subject application and attached material. This memorandum addresses the transportation aspects of the proposal.

The applicant seeks a special exception to operate an assisted living facility located at 1313 Harvard Street, NW. The subject property has eight bedrooms. At least two bedrooms will be used for managers. The parking requirements provided in DCMR Title 11, Section 2101 for a rooming house or boarding house, is one parking space, plus one parking space for every five rooming units. The parking requirement for the subject property is two parking spaces.

The applicant is unable to meet the off-street parking requirements due to property size restrictions and seeks a variance under section 3107.2. The proposed use will not cause a large increase in traffic volume on neighboring streets. Accordingly, DDOT has no objection to the application.
