2-26-01 Appl. 16657

I wish to comment on remarks ascribed to "Alba Sureal (Neighbor)" under "Comment" on page 5 of notes transcribed from the February 3, 2001 meeting at Christian Praise Church.

The correct spelling of the name is Alva Seraile. Also, I did not say as reported in that paragraph that "... I dont want you to think that Sheila and Barbara express my concerns." Of course, they expressed my concerns. The reason the three of us went to the meeting together was because we had similar concerns which we had discussed and we were absolutely on the same page about. Similarly, I have no idea what the last 5 words in the last sentence of the paragraph are all about. I recall no reference to "learning for health, natural health."
