To: Bureau of Zoning Administration

I, Martha Ruffin of 4627 Verplanck Pl, NW, have reviewed the plans for Leslie and Benjamin Page's proposed addition at 4631 Verplanck Pl. NW. I understand that the addition will extend 11 feet from the east (46th St.) wall of the house over a width of 22 feet on the first floor and 8 feet on the second floor. I have been informed that the project will involve excavation, and that the full project is estimated by the builder to require approximately 3½ months from inception to completion. I would like to inform the Bureau of Zoning Administration that I have no objection to the project.

Sincerely,

Martha Ruffin
