Dear Chair McIntire:

Thank you very much for the opportunity to present the Latin American Youth Center's (LAYC) zoning application for 3035 15th St., NW to the Advisory Neighborhood Commission several weeks ago. As a follow-up to that meeting I would like to note the following:

1. Several of the ANC members noted that they would like to know about neighborhood development in its early stages. You mentioned that a liaison between the LAYC and the ANC would address this situation. The LAYC would welcome this initiative as it will insure on-going communication between the LAYC and the ANC. Please let me know how we could implement this idea.

2 During the meeting you requested that LAYC staff who may be working out of the 3035 15th St., NW address not use 15th St., NW for parking. The LAYC has parking arrangements with Columbia Heights Village and Unity Health Center. We are in the process of amending our personnel manual and I will add a clause indicating that staff who work out of that facility should not park on 15th St., NW per request of the ANC.

I would also like to extend an invitation to members of your ANC to visit the LAYC. Perhaps you would like to have one of your meetings at the Center. If you have any other questions or concerns prior to the BZA hearing, please give me a call. I will soon be working on our development plans for 3043 and 3045 15th St., NW and I will definitely keep you informed of our progress.

Sincerely,

Lori M. Kaplan
