Re: Docket No. 16670, Variance for Addition to Single Family Residence,
Michael P. Barrette, filed 11/9/00

Dear Ms. Kress,

On January 10, 2001 Mr. Barrette appeared before the ANC 6-A Zoning and Licensing Committee to present the details of his variance application. The premises is at 910 East Capitol St., NE on Lot 826(a), Square 941 and is zoned R-4. The Committee was generally in agreement but requested he provide additional details. On January 24, 2001 Mr. Barrette satisfied the requirement by presenting the additional information at an ANC community forum.

At the February 1, 2001 meeting of the full ANC, a vote was taken on the variance. All twelve Commissioners were present and the vote was unanimous to support the variance. ANC 6A respectfully recommends that the BZA approve this variance.

Sincerely,

Ivette Basterrechea
