Reverend Vincent Harris
St. George's Episcopal Church
160 U Street, N.W.
Washington, DC 20001

Dear Father Harris:

St. George's Episcopal Church has the full support of the Bloomingdale Civic Association regarding the church's plan to expand its facility.

St. George's and its ministry programs have played an important role assisting the youth and seniors of our community. The Association recognizes that the church needs additional space to fulfill these functions, and needs to install an elevator to improve accessibility to disabled persons.

Regards,

Cleopatra Jones
President

The Reverend Vincent Powell Harris
Rector
Saint George's Episcopal Church
160 U Street, NW
Washington, DC 20001

Dear Father Harris and Members of St. George's:

I am glad to offer my support for St. George's plans to renovate and expand its existing church facilities. Over the past seven years St. Geroge's has been a fixture at the corner of Second and U Streets, Northwest. In that time St. George's has contributed significantly to the spiritual well being of its members and the overall quality of life in the community it serves.

My knowledge of St. George's prompts me to say that it is a church that critically meets the needs of the residents in the LeDroit Park and Bloomingdale communities. Your church provides a ministry that enables persons to be productive and contributing member of society. The renovation and expansion of your facilities will only enhance the church's ability to better meet the needs of its members and the larger community.

I appreciate the opportunity to support this project.

Sincerely,

Vincent B. Orange, Sr.
