Re: Darcell Walker, 5617 First Street, NE, Washington, DC 20011

To Whom It May Concern:

This statement is provided under notary as I will not be in attendance at the hearing scheduled Tuesday, February 27, 2001, regarding the home improvement project of Darcell Walker.

I have discussed with Ms. Walker her remodeling plans and I have no objections to any of the home improvement initiatives that she currently plans to perform. Rebuilding occurs within the confines of her property and, in my opinion, interferes with no other property. Additionally, I don't see how the project will adversely impact other properties within the neighborhood.

If you need other comments from me during the hearing or at any other time thereafter, I can be reach as shown below. Thank you kindly.

Sincerely,

Florence N. Graham
