Re: BZA Case No. 16678

Dear Ms. Kress,

Please accept this notice that I will not be able to submit my paperwork so Mr. Belo can submit the appropriate documentation to your office by April 9th. I have been unable to get two structural engineers to return my phone calls. In addition I have a demanding job at Fannie Mae building eBusiness Systems which we are piloting next month and am going to graduate school.

Therefore I am requesting an extension by one month to have the hearing in mid-July. I hope this will not be a problem.

I look forward to your reply.

Sincerely,

Katherine C. Cannon
