SUBJECT: BZA Appeal No. 16679 for Property at 3020 43rd Street, N.W.

This is to advise you that John Patrick Brown, Jr., Esquire of the law firm of Greenstein, DeLorme and Luchs, has filed the above-numbered appeal before the Board of Zoning Adjustment from the administrative decision for property located at 3020 43rd Street, N.W., (Square 1621, Lot 70). This filing appeals a decision of Michael D. Johnson, Zoning Administrator, Zoning Review Branch, Department of Consumer and Regulatory Affairs, made on October 11, 2000, to the effect that a permit No. B430091 was inappropriately approved to allow the construction of a partial front porch, rear addition and accessory garage to an existing dwelling. Appellant alleges that the building permit violates the Zoning Codes.

This is not a notice of public hearing for the appeal. You will be notified of the actual public hearing date approximately 40 days in advance of the date set for the hearing. As a one-half day is scheduled for the hearing, the public hearing will occur in March or April, 2001.

A copy of the appeal is enclosed for your information. If you have any questions about this matter, please call the Office of Zoning at (202) 727-6311.
