Chairman,
Board of Zoning Adjustment
441 4th Street, N.W. Room 210
Washington DC 20001

Dear Mr. Sockwell:

RE: Application 16683 St. Johns College High School

At ANC 3G's publicly announced meeting of February 26, 2001, the Commission voted 6 - 0 (a quorum being four) to support the BZA Application No 16683 St. Johns College High School's request for a special exception for a new science and technology center on the existing campus. St. Johns College High School agreed to enter into a construction agreement with the ANC and/or neighbors as part of the ANC and neighbors support for this special exception.

As part of our procedure, Commissioners were asked if they had any commissioner had any financial or other interest in the School. No commissioners had any. Commissioner Anne Renshaw rescued herself from the discussion and voting on this matter. The acting chair asked if the applicant had any objection to Commissioner Renshaw being in the room or the taping of the proceedings. Father Thomas Gerrow, acting for the applicant had no objection.

Sincerely

Joseph L. Bishop/arp
