To Whom It May Concern:

I understand that Dr. Lucia Edmonds, owner of 1610 15th Street, NW is seeking permission to create two improvements:

1. Enclose an ***existing*** deck
2. Build a 7' x 10' closet onto a bedroom on the third floor of her home that will extend 10 feet out over the roof of the floor below.

We understand that neither the deck nor the closet will create any change to the current footprint of the house and, as described, the improvements will not have any adverse affect on the use of our property or our enjoyment of the surrounding area. For these reasons, I support the improvements that Dr. Edmonds would like to make.

Sincerely,

Signature Frankie M Caldwell
