Zoned: R-4

Dear Ms. Berry:

Your certificate of occupancy application #802121 filed to use the subject premises as a "Beauty Salon/Retail Convenience Store" is disapproved due to the need for Board of Zoning Adjustment approval. The property for purposes of zoning is classified as R-4 which does not allow your proposed use. You may, however, request a use variance from the use provisions (DCMR Title 11, Section 330.5) of the R-4 Zone. Use Variance from Section 330.to allow re-establishment of a discontinued non-conforming retail grocery and establishment of a beauty salon use in the residential R-4 district (Section 3301.2). The variance must be obtained through a public hearing before the Board of Zoning Adjustment.

The Board has authority to grant variances under provisions of DCMR Title 11, Section 3107.2 which reads as follows:

> "As set forth in D.C. Code, Section 5-424(g)(3), 'Where by reason of exceptional narrowness, shallowness or shape of a specific piece of property at the time of the original adoption of the regulations or by reason of exceptional topographical conditions or other extraordinary or exceptional situation or condition of a specific piece of property, the strict application of any regulation adopted under D.C. Code, Sections 5-413 to 5-432 would result in peculiar and exceptional practical difficulties to or exceptional and undue hardship upon the owner of the property, to authorize, upon an appeal relating to the property, a variance from the strict application so as to relieve the difficulties or hardship; Provided, that the relief can be granted without substantial detriment to the public good and without
