TO: Board of Zoning Adjustment

FROM: Juanita M. Berry

DATE: May 24, 20001

SUBJECT: BZA Order 16689

To Whom it May Concern:

I, Juanita M. Berry, am requesting a motion for a minor modification to BZA Order #16689 for an adjustment to the time and days of operation of the Beauty Salon and Grocery Store.

I am requesting changes of condition #2 . The hours of operation shall not exceed 8:00am to 6:00pm Monday through Saturday, to 7:00am to 8:00 pm Monday through Sunday.

The reason for the change is because after considering the shopping and convenience needs of the community and the employees of the beauty salon, then discussing with area neighbors and potential employees, the present set hours would severely limit any convenience it would be to work and shop between the hours of 8am and 6pm. The neighbors would like to purchase such products as newspapers, juice, etc. in the early morning either to or from work, school, or Sunday, going and coming from Church service. The beauty salon employees have customers that want to get beauty services early in the morning and after work in the evenings, or Sunday afternoon (day before the work week).

I respectfully remind the board that the Office of Planning suggested the hours of 6am –12am daily which supports my request for the extended hours. The Office of Planning had the foresight that would suggest added convenience to the community and employees.

Thanks for your consideration,

Juanita Berry
