Re: Zoning Commission Case No. 16691

Dear Ms. Mitten and Members of the Commission:

On behalf of the Edgewood Terrace Preservation Corporation, the purpose of this letter is to extend my support of BZA Application No.16691 which involves the conversion of two existing warehouses at 705 and 707 Edgewood St., NE to EEF use. We appreciated the opportunity to work with the applicant on this matter and are pleased that our security concerns have been addressed. These two warehouses have been vacant for ten years creating a security problem in the immediate vicinity of Edgewood Terrace, a residential complex.

I appreciate this opportunity to offer my support of this application on behalf of the Edgewood Terrace Preservation Corporation.

Very truly yours,

Albert Browne
Edgewood Terrace Preservation Corporation
