RE: BZA Application No. 16695

To Whom it May Concern:

This letter pertains to the application of Robert Shaeffer for a special exception to the zoning law. Robert (Bob) is our next-door neighbor, and has explained his plans to build an addition on to his house. We believe that the special exception *should be granted* because it will not alter the view, sight lines, or architectural integrity of his house or neighboring houses. Moreover, we believe that the addition will add property value to his house, and by extension, the other houses in proximity. Please feel free to call us if you have any questions.

Sincerely,

Jennifer and Robert Fox
