Re: BZA Application No. 16695
Robert S. A. Shaeffer

Dear Ms. Kress:

I would like to go on record in support of the application of a zoning variance made by Mr. Robert S. A. Shaeffer, pursuant to 11 DCMR 3104.1 to allow an addition to a singlefamily dwelling, not meeting the rear yard requirements, at premise 2725 13th Street, NW. This project would add to the gentrification of this particular street, without negatively impacting neighbors or the environs. It is therefore my recommendation that you approve the request at your May 1, 2001 hearing.

Sincerely,

J. Graham
