Re: Opposition to the Application of Craig and Ann Goodman, Application Number 16696, Application for A Variance.

Ladies and Gentleman:

My name is Peggy A. Clark and I am the property owner of 3261 "O" St NW, Washington, D.C. 20007. I oppose the Goodmans' application for a zoning variance for the construction of a second story on their accessory garage with a finished height of twenty (20) feet, which would contain a fully equipped two-bedroom apartment. I have read and fully endorse ANC 2E's unanimous Resolution in Opposition to the Goodmans' application dated June 13, 2001 to the BZA. Specifically, I do not believe that the Goodmans' property at 3254 O Street, NW is unique in our neighborhood in any way. If the Board were to grant the Goodmans a variance it would establish a precedent that would encourage other property owners to construct similar freestanding residential units on Georgetown's historic alleyways and in other R3 areas in the City, such as Dupont Circle and Capitol Hill. As a property owner in Georgetown, I am concerned about anything that will unnecessarily contribute to residential density and the problems that accompany such density.

I urge the Board to DENY Application 16696.

Respectfully Submitted,

Name: Peg Clark
Address: 3261 O St NW

Cc: Councilman Jack Evans
