Case Number 16696

Dear Madam Chair and Board Members,

On Friday, 28 September, one of the staff of the BZA faxed to me Mrs. Goodman's letter of 26 September. I must respond to this. My living arrangements are not at issue in this case, but my character and integrity are. Her letter is totally in error.

I did not lie to this Board under oath with regard to this matter, or any other matter, in my verbal or written statements. I did not have anyone living with me in the summer. As I testified, after hip replacement surgery I did have a medical student living with me. She left in mid-June. At present I have a young woman, not a student, living in my home as a companion.

I am astounded at the lengths the Goodmans will go to to achieve their stated goal.

Thank you for your patience in this case.
