GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Foggy Bottom and West End/ Advisory Neighborhood Commission 2A Appellant	)	BZA Appeal No. 16701

SUBMISSION TO THE BOARD OF ZONING ADJUSTMENT

The District of Columbia, through Counsel, in response to the Board of Zoning Adjustment's ("Board") request that the "Zoning Administrator review his records and identify when and with whom in the community he held meetings on the project and, if possible, provide details about the meetings" states as follows.

The Zoning Administrator has checked his calendar, which is kept on the "Microsoft Outlook" system, to ascertain when he met with members of the community regarding the George Washington University construction project. Unfortunately, because they were not programmed to be saved in the archives, all of his meeting records were automatically purged from the system. Accordingly, the District is unable to provide the Board with the dates and the details of meetings the Zoning Administrator had with members of the community as related to this matter.

Respectfully submitted,

ROBERT R. RIGSBY
Corporation Counsel, D.C.
