RE: BZA Application No. 16702 – Millennium Georgetown Partners, LLC (Georgetown Incinerator)

Dear Mr. Pulsifer:

The Board of Zoning Adjustment held a public hearing on the above-identified application on April 17, 2001. A decision on the application is scheduled for **MAY 1, 2001.** Prior to making its decision, the Board is requesting that Advisory Neighborhood Commission (ANC) 2E review the revised plans presented to the Board by the applicant. The applicant has indicated that the revised plans would be made available to the ANC.

The applicant has requested that the Board make a decision on the application at the earliest date possible because the project is currently under construction. As such, the Board recognizes the short turn-a-round time for your response and would appreciate your help in this regard. Please provide a report prior to the Board's meeting.

If we can be of assistance, please contact Beverley A. Bailey on (202) 727-0364.

Sincerely,

JERRILY R. KRESS, FAIA
