MEMORANDUM

TO: Board of Zoning Adjustment

FROM: Jerrily R. Kress, FAIA
Director

DATE: June 15, 2001

SUBJECT: BZA Application No. 16702 – Motion to Strike The Citizens Association of Georgetown's (CAG) June 12, 2001 Submission and/or Exclude Testimony from CAG's Proposed Expert Witness

---

The Applicant's attorney submitted a motion to strike The Citizens Association of Georgetown's (CAG) June 12, 2001 submission and/or to exclude testimony from CAG's proposed expert witness as it goes beyond the intended scope of the ~~July~~ June 19, 2001 hearing.

Staff review of the May 15, 2001, BZA public meeting transcript verified the Board's decision to reopen the record and limit the scope of the testimony to a discussion of the third prong of the variance test as pertains to the height (additional floor) of the building and its impact on the view shed.

The Board as a preliminary matter should decide the motion and whether to strike or accept parts of the CAG submission. If the decision is to only accept the information pertaining to the third prong, then simply disregard references to those issues already dealt with at the May 15, 2001 meeting.

If there are any questions, please telephone Rick Nero at 727-2806.
